– MEDIA RELEASE –

October 21, 2008

DIRECTOR OF EDUCATION

The Prairie Valley School Division Board of Education is pleased to announce that Mr. Ben Grebinski has been appointed as the new Director of Education for the division, effective November 18, 2008.

Board Chair Rod Luhnning said, “We are very pleased that Mr. Grebinski will be joining our team at PVSD. Our Canada-wide executive search resulted in several excellent candidates, from which the board selected Ben. His dedication to student learning, understanding of the rural education issues which affect Prairie Valley and his administrative and operational background will lead the division forward and support us in achieving our vision of leadership in learning and life.”

Grebinski has over three decades of service with the Regina Catholic School Division first as a classroom teacher, then school-based administrator and since 2000, superintendent. He has a bachelor of education, post graduate diploma and master of education in Educational Administration from the University of Regina and is an experienced keynote speaker and guest lecturer. Grebinski is a member of the University of Regina Board of Governors and past president of the League of Educational Administrators, Directors and Superintendents. He has been recipient of various awards including Computing Canada Information Technology Executive of the Year and the Distinguished Alumni Award from the University of Regina.

“I am honoured to have the opportunity to work with the Board of Education, staff and students of Prairie Valley,” said Grebinski. “PVSD offers impressive curriculum options for the diverse and complex needs of its students and is leading the way in developing First Nations and Métis partnerships to ensure all students have the best educational experience. I am very excited to be part of these and other progressive initiatives including all extra-curricular arts and athletics programming in Prairie Valley School Division.”

Grebinski and his wife Starla have three adult children.

Prairie Valley School Division serves more than 8,100 students in 38 schools throughout south-eastern Saskatchewan. To support its vision of leadership in learning and in life, and through a commitment to shared values, the division strives to ensure a high-quality education that provides students with the tools to reach and exceed their potential.
