- Courses in COLOUR are full comprehensive exams. Courses in BLACK are regular classes.
- Jan 29<sup>th</sup> will be make up exams/credit recovery, determined by teachers and administration. Students/Parents will be contacted.
- Students are required to stay for 2 full class periods and cannot be excused or leave early. Students are encouraged to bring something to study in the event they are completed early.
- If a student does not have a scheduled exam or class in a block parents do not need to call the office, we will be marking the student attendance as No Scheduled Exam.
- The Multi-Purpose room and library will be used for tutorial and open for all students when they are not in an exam or class.
- Additional time is given to complete exams. Please consider your transportation arrangements for afternoon exams.
- Cell phones must be off and left with the supervising teacher.
- Students will not be allowed to leave during the exam – no bathroom breaks, locker stops, etc.
- If a student is unable to write a final exam at the scheduled time, a parent/guardian must phone the office beforehand.
- Arrangements will be made at the school if a student is unable to write due to an emergency or bus cancellation.
