- **Dwight Fuhro – Camp Instructor** dwightfu@yahoo.com or (306) 531-2211

Who Can Attend

These are **not school tryout camps!** This is an open camp; therefore female athletes from other schools are welcome to attend! **Note:** Please use back gym doors as an entrance.

Camp Rationale

This is an alternate camp that I put on for those who cannot make it to the other volleyball camps because of timing and/or financial concerns. The focus is on enhancing the technical aspect of volleyball skill development.
