

Parent Info Nights: Cyber-bullying

Wolseley High School • April 3 • 7 PM | Education Centre • April 4 • 7 PM

87% of youth have *witnessed* cyber-bullying

34% of youth say they have *experienced* cyber-bullying

39% of children *do not* enable privacy settings on social media

Learn how to protect and support your children

through award-winning educator Dr. Alec Couros, professor of educational technology and media at the University of Regina. This engaging and informative session includes:

- The prevalence of cyber bullying and its **effects** on children, families and schools.
- Physical, social and emotional **risks** associated with children's cell phone use.
- **Strategies** for parents to support their children's safe on-line presence.

All parents and guardians are encouraged to attend.
