BEAR Bravos to our students, staff, and parents for making our spring Learning Conferences successful. We are extremely proud of the learning successes we've seen!

With Easter fast approaching, we're reminded how very little time we have left to this school year. There are a few initiatives we'd like to draw your attention to.

We are continually looking at ways to strengthen relationships

between home and school. Feedback from parents is an important source of information for us in that process.

In late April, early May, we invite you to look for a parent survey on our website. Our hope is this tool will be another avenue through which we can gather information from you.

Due to numerous requests, we have opened a PBS Facebook page. Please check the profile picture at the bottom left to ensure you follow the correct page. We will work

through any hiccups quickly and hope this is an easier way to share information with you.

Spring is a time for renewal and we wish all our BEARS and their families ample opportunity to rest and renew over the Easter break!

No Nuts, PLEASE!

Please remember Pilot Butte School has several students with severe nut allergies. We ask that families do not pack lunches or snacks containing peanuts or peanut products.

Please note that substitute products like WOW Butter are not to be brought to school. We cannot guarantee or discern these products.

We must place the safety of children ahead of the convenience of nut substitute products.

gearing up for Kindergarten Parent Night

May 16, 2017

6:00 - 7:00 p.m.

We look forward to meeting families who will be starting Kindergarten in the Fall. Because it is difficult to share information with little ones around, this meeting is intended for parents only. Having said that, we understand the pressures on some families and will provide babysitting at the school during the meeting.
