McLean School

**Happy
Easter**

Message from the Principal – Ms. Hrbachek

We are now in our final term of school this year. Thank-you for attending the second set of parent-teacher conferences on March 19th and 20th. It is a good time to formally touch-base and ensure that we continue working together so that all students are successful.

We had our school science fair in March. The projects on display were very interesting and students did an excellent job of presenting their work. First place was awarded to Lukas and Kaleb, second was awarded to Emma and Jamie and third was awarded to Morgan and Payton. All three projects moved on to regional science fair in Milestone. Emma and Jamie's project received a 2nd place as well as a \$50.00 award, and Morgan and Payton received a third place.

Basketball has wrapped up for another season. Thank-you to Miss Brennan for coaching the girls' team. Badminton practices have already started with Mrs. Thompson coaching again this year.

Ms. Hrbachek

McLean School Gives Big

On March 14th, four students represented the Mclean School Student Leadership Council at the Z99 Radiothon. They presented a donation of \$600 which goes to support the Regina Neonatal Intensive Care Unit (NICU). Each Friday, during the month of March, the McLean SLC sold Menchie's Frozen Yogurt at lunch. The idea was suggested by a student on the council who had spent time in the NICU as a baby. It was unanimously agreed upon by each member of the SLC to make a donation. The students were pleasantly surprised by the amount of money they were able to raise in a short period of time. We are very proud of our caring and kind students who helped make our donation possible.

McLean School SCC

We are excited that our spring fundraiser with Vesey's Bulbs is underway. A catalogue has recently been sent home with your child. Please return all order forms and money to the school by April 10th. Remember that family members, friends and neighbours may all be interested in purchasing Vesey's products.

Thank you to everyone for participating in this fundraiser and helping raise money for our school! Your support is greatly appreciated and will allow the SCC to support a variety of initiatives within the school!

Watch for some fun LIP activities coming soon!

Our next meeting will be Wednesday, May 8th, everyone is welcome!

Reminders:

Drink Machine - The cost of a drink from the machine in the foyer is \$1.25, students need the exact change or more to use the machine. If you put less than \$1.25 in the machine it currently is not giving change back.

Microwaves - Please note any food needing more than 30 seconds-1 minute to heat should not be sent to school (ie: KD cups and microwave dinners). This is to ensure that all children have time to heat their lunch and eat it.

Grade 8 Farewell Picture Day

Lifetouch will be at our school on Thursday, April 11th at 1PM to take our Grade 8 Farewell pictures, this will be your opportunity to purchase the class composite. You will be able to preview your portraits before you purchase a package, but, if you would like the class composite please send the money and form with your student on picture day. More information on the Farewell will follow.
