Please note when purchasing indoor running shoes for your child, it is important to choose an athletic style of shoe designed for physical movement. Skateboard shoes, crocs, flats, slip ons, high tops and dress shoes are not meant for physical activity and will not adequately support your child's feet as they run, jump, land and stop. In fact improper footwear can lead to injuries.

Please send all requested school supplies to school in September. They will be distributed as needed by your child. I store the extra materials in a large Ziploc bag. That way the extra supplies are available when they get used up. **Please label everything. It helps out greatly!**

Some students have experienced problems in the past with poor quality pencils and notebooks. They don't seem to last and it is frustrating and discouraging for the children. Please keep this in mind when shopping.

Please watch your child's Day Planner throughout the year as any replacement supplies will be requested.

At Christmas time you may need to purchase replacement markers and additional glue sticks.
